## A Message from the President

It is hard to believe that the holiday season is almost upon us, another year has gone by, and a new decade is almost here! For Broadmoor Residents, this time of year also means our annual Broadmoor Christmas Parade is approaching. Mark your calendars for December 7th, when our parade will roll at 2:00pm. Come line the route and celebrate the holiday season with us, and also remember the sacrifice of our men and women in the armed forces on this very special day.

It has been a good year for Broadmoor. The City has started on the early work to get Goodwood Boulevard repaved. Your Executive Committee and your Board have worked many dozens of calls to our Helpline, assisting neighbors with blighted properties, building and zoning issues, and even the occasional barking dog. We have worked closely with our Metro-Councilperson, Donna Collins-Lewis, concerning zoning, drainage, and Planning Commission issues. We have also collaborated with the Broadmoor Crime Prevention and Improvement District Commission, who have worked to reduce crime and keep it down, and to get the great-looking seasonal banners along Goodwood Boulevard.

If not for the work of BCPID and our Private Patrol officers, we would not be one of the safest neighborhoods in Baton Rouge. They deserve our thanks and support.

There is a lot of work that has been done and still needs to be done. It is done by your neighbors, who volunteer their time. Which brings me to my last point: In November, the Association will hold its annual election for Board Members and Officers. There is an opportunity for new blood, new ideas and new direction. After many years of service in various positions on the Board and as an Officer, I will not be running again. Other positions are also open. Please consider supporting our neighborhood in this manner. It is time for others to take the reins and guide the sleigh.

Thank you for letting me serve on the BRA Board and as an Officer. Many years to our lovely neighborhood and to our wonderful residents!

# Urgent Care Clinic to Open in Broadmoor

By Amy Delaney

There will soon be a convenient urgent care option for Broadmoor residents, just in time for the cold and flu season. Patient Plus Urgent Care is set to open a new location in the Broadmoor shopping center in December. This will be the fifth Patient Plus location with current locations in Bocage, Southdowns, Mid City and Delmont.

### When Should You Visit an Urgent Care?

Shirley Munoz with Patient Plus says all five Patient Plus locations offer similar services, including x-ray, wellness exams and testing for illnesses, such as the flu and strep. The Broadmoor location will feature six exam rooms and a staff to treat common medical concerns such as stomach or headaches, allergies or pink eye, or even sprains/strains or fractures. Medical providers also offer preventive care including flu, tetanus and whooping cough vaccines. Munoz says urgent care services are a great option when your concern does not warrant an emergency room visit, such as in the case of chest pain or difficulty breathing.

Patient Plus locations seek to provide convenient care so that residents do not have to drive far for treatment. They accept most major insurance providers, including Medicaid and Medicare. They also provide online check-in services to help reduce wait times. Residents can also view the current wait times online before ever leaving home. Munoz says they are excited to open the new Broadmoor location at 9688 Florida Boulevard. For more information on Patient Plus, you can log on to <http://patientplusuc.com/>.

## Beautification Committee Report

If you are planning a fall garden this season, a great resource to consult is the LSU Ag Center. Their website is an excellent source for information on types of plants to grow, garden pest prevention and eco-friendly ways to mulch. Learn more about fall planting here: <https://www.lsuagcenter.com/articles/page1504802644915>.

Fall is also a great time to consider picking up around your home and carport area. Families can pool their treasures for a fall yard sale to make money for Christmas! Don't forget that St. Vincent de Paul accepts your old cars, trucks, boats, R.V.'s, and other recreational vehicles. Towing is free and they can be contacted regarding vehicle gifts at (225) 383-7837.

We are looking for home nominations for Fall Yards of the Season. Please contact the Beautification Committee at [lscore1074@aol.com](mailto:lscore1074@aol.com) or message Liz or Sterling Core on Nextdoor.
